REPORT OF THE COURT OF WARDS, NORTH-WESTERN PROVINCES AND OUDH, FOR 1891-92.

No. $\frac{704N.}{X.-22}$ OF 1893.

FROM

H. BUTLER, ESQ., C.S.,

JUNIOR SECRETARY TO THE BOARD OF REVENUE,

NORTH-WESTERN PROVINCES AND OUDH,

To

THE CHIEF SECRETARY TO GOVERNMENT,

N.-W. PROVINCES AND OUDH, REVENUE DEPARTMENT.

DATED, NAINI TAL, THE 24TH JUNE 1893.

SIR,

Present:
A. CADELL, ESQ.,
Junior Member.

Introductory.

I AM directed to submit for the information of His Honor the Lieutenant-Governor and Chief Commissioner, the amalgamated annual report on the administration of estates held under the superintendence of the Court of Wards, for both the North-Western Provinces and Oudh, for the revenue year ending 30th September 1892.

2. In G. O. No. $\frac{2873}{1.-745A.}$, dated 4th November 1892, the Board were requested to submit their report to Government not later than the 15th May, and with this request the Board have done their utmost to comply. But the late submission of no fewer than 113 reports, and the inaccuracy with which, in the case of many of the Oudh estates, the returns were compiled, have rendered strict compliance with the wishes of Government impossible. With reference to the Oudh returns it may be said, that they were cast in new forms, and that the Board have reason to hope for greater accuracy in future. With regard to the general lateness of the reports nothing can be said by way of palliation. In spite of frequent and urgent reminders, 70 reports were received in this office more than one month, and 24 more than two months after the extreme date fixed for their submission (1st December), while the reports of the five following estates were received on the following dates :—

Batuk Prasad	(Jaunpur)	2nd March.
Milaraiganj	(Bara Banki)	10th do.
Surajpur	(Bara Banki)	13th do.
Rámnagar Dhameri	(Bara Banki)	21st do.
Bharaoti	(Budaun)	20th May.

It will thus be seen that the last report reached the Board five days after the date fixed for the submission of the Board's report to Government. The only reason given by the Collector of Budaun for this extraordinary delay was "the difficulty of getting the necessary statistics out of the Tahsíldár of Gunnaur." Mr. Cadell has some knowledge of the nature of this officer's work, but there is nothing, so far as the Board are aware, to exonerate the Collector from the responsibility of a delay of nearly six months. The Board have called for an explanation from the Tahsíldár and, if it is not satisfactory, will show their displeasure in an exemplary way. Obviously they cannot give effect to the wishes of higher authority unless the reports are submitted to them with reasonable punctuality. They are ready, where it is required, to sanction the temporary strengthening of Court of Wards district establishments; but they must insist on the more punctual submission of the reports, and, in future, they will report fully to Government every case in which they consider there has been unreasonable delay.

3. The present report is the first in which the statements for the two provinces have been assimilated, and any comparison of the figures for Oudh with the figures of the preceding year would be altogether misleading. Comparative provincial statements have, therefore, not been inserted in the body of this report; but reference has been made, where necessary, to the figures for the preceding year.

APPENDIX I
Number of estates under management during the year

4. Thirteen estates were released and charge of eleven was assumed during the year of report. The estates made over by the Civil Courts in Oudh are now shown for the first time. At the close of the year 153 estates were under the management of the Court of Wards.

5. The following estates were released during the year :—

Serial number.	Name of estate.	District.	Clause of section 194, Act XIX of 1873, under which originally taken over.
4	Bidauli... ...	Muzaffarnagar ...	(*a*) Females declared incompetent to manage their estates, and (*b*) minors (by Court of Wards on its own motion).
6	Bhandura ...	Ditto ...	(*b*) Minors (by Court of Wards on its own motion).
16	Lachman Singh ..	Aligarh ...	(*b*) „ (by order of Civil Court).
19	Parna	Agra	(*b*) „ (by Court of Wards on its own motion).
31	Nagla Kisi ...	Etah	(*b*) „ (by order of Civil Court).
35	Chet Singh ...	Do.	(*b*) „ (by Court of Wards on its own motion).
71	Sakarwan ...	Cawnpore ...	(*b*) „ (by order of Civil Court).
86	Partab Chand ...	Allahabad ...	(*b*) „ (by order of Civil Court).
87	Gambhira ...	Ditto ...	(*a*) Females deemed incompetent to manage their estates.
95	Kukargaon ...	Jalaun ...	(*b*) Minors (by Court of Wards on its own motion).
107	Kodai... ...	Ghâzipur ...	(*b*) „ (by order of Civil Court).
113	Dumri ...	Gorakhpur ...	(*b*) „ (by Court of Wards on its own motion).
145	Mahona ...	Sultânpur ...	Section 3, Act XXIV of 1870.

Bidauli estate, Muzaffarnagar district.—This estate, consisting of seven entire villages and shares in 23 others, of which eight are held on mortgage, is owned by Musammats Mahbuban and Mohamdi Begam, widows, Abbas Husain and Asghar Husain, minor sons, and Kaniz Shabbir and Askari Begam, minor daughters of Muhammad Mehdi Husain, deceased. The property was taken over by the Court of Wards, that of the adult females including Umrao Begam, who died in May 1891, under G. O. No. 813, dated 14th May 1880, and that of the minors on its own motion. Abbas Husain was disqualified on attaining his majority by G.O. No. $\frac{1081}{I-542A.}$, dated 10th July 1889. The disqualification having been removed by G.O. No. $\frac{1557}{I-542A.}$, dated 28th June 1892, the estate was released on 1st August 1892. The estate, though free from debt, is an inferior one both as regards soil and position, and collections have always been poor. There was but little money available for developing the estate, but 13 new wells were constructed during the Court's management. Rs. 700 in cash and Rs. 1,500 in Government paper were made over to Abbas Husain at the time of release.

Bhandura estate, Muzaffarnagar district.—The history of this estate has been already reported to Government in the annual report of the Court of Wards for 1887-88 (page V), and in the correspondence concluded by G. O. No. $\frac{1894}{I-430A.}$, dated 17th November 1890. Under this Government Order the disqualification of Musammat Kamr-ul-nisa was removed, but the Court of Wards retained the estate under management on behalf of the minors. Musammat Kamr-ul-nisa instituted in due course a suit to recover the estate, but ultimately suggested a compromise on the following terms, *viz.*, that the estate be released but remain, and stand recorded as the property of the minors according to the terms of the will of the late proprietor, and under her charge. The case for the defence being, in the Legal Remembrancer's opinion, far from strong, the Board, agreeing with him and the local officers, accepted the compromise without any hesitation. An agreement was accordingly executed, and the estate was released on the 15th August 1892. Management lasted for so short a time and it ended so abruptly, that it was not possible to develope the property on a large scale. The estate

was, however, increased by the purchase for Rs. 1,445 of a share in a village; its house property was added to and improved by the expenditure of over Rs. 8,000, and other improvements costing more than Rs. 5,000 were carried out; while some progress was made in the conversion of grain into cash rents. When released, the estate had a cash balance of Rs. 2,467 with Rs. 37,000 invested in Government paper and Rs. 21,490 invested in loans, of which Rs. 18,935 were secured by usufructuary mortgages of land.

Lachman Singh's estate, Aligarh district.—The circumstances under which the guardianship of Musammats Kesar Kuar and Makund Kuar, daughters of Lachman Singh, was made over to the Court of Wards by the Judge of Aligarh, were reported to Government in the Board's No. $\frac{845}{X\text{-}169}$, dated 16th June 1891, and, with the approval of Government conveyed in G. O. No. $\frac{1496}{I\text{-}805A.}$, dated the 24th June 1891, the Collector applied to the Judge and was relieved of his duties by an order, dated 14th January 1892.

Parna estate, Agra district.—This estate came under the Court of Wards in 1874. It is situated in the Agra district and is the ancestral property of the family, the head of which used to be known as the Diwan of Parna. In 1840 the Diwan, Narain Singh, died, leaving four sons, Mahendra Singh, Arjun Singh, Khushal Singh and Risal Singh. Mahendra Singh succeeded, but died in 1860 without issue, and was in turn succeeded by his brother Arjun Singh. The latter died in 1874, leaving two minor sons, Ram Raghunath Singh and Ram Rattan Singh. The former succeeded and the estate was taken under the management of the Court of Wards, as already stated, in August of that year. In 1878, however, Ram Raghunath Singh died, and Ram Rattan Singh succeeded him, the Court continuing its management. After 10 years, on the 24th October 1888, Ram Rattan Singh died also. The question of succession to him led to family litigation, and the Court of Wards retained management pending its decision. A decree was ultimately given by the Subordinate Judge of Agra in favour of Bhup Singh, the elder son of Khushal Singh mentioned above, and the estate was released and made over to him on the 31st March 1892.

When the Court assumed management, the property, which comprises the whole of the village of Parna and a share in another village, was involved in debt to the extent of Rs. 26,000. Government in 1875, advanced this sum on a mortgage of the estate and the private creditors were by this means satisfied. The debt to Government was finally paid off in 1887. It was not possible to provide for improvements until then, and, as Ram Rattan Singh died shortly afterwards, it has been inadvisable to do so since, seeing that the Court might at any time have been called upon to release the property. But advances have been given to tenants, and the general results of management are most satisfactory, for the estate has been handed over not only entirely freed from debt, but with a cash balance of over Rs. 4,000 and with Rs. 5,000 invested in Government promissory notes. The estate was released to Bhup Singh as soon as he had won his case in the Subordinate Judge's Court, though an appeal was known to be pending, because proceedings in appeal to the High Court and Privy Council might drag on for years, and it was thought inexpedient to encourage continued litigation. The death of Ram Rattan Singh at the age of 17 was most sad, as he was a youth of unusual promise, and a worthy descendant of a fine race.

Nagla Kisi estate, Etah district.—This estate, consisting of shares in three villages and a possessory mortgage of a fourth, with a rental of Rs. 1,250 and a jama of Rs. 774 and belonging to Girwar Lal, minor, was placed under the management of the Collector by order of the Judge of Mainpuri, dated 29th April 1878, under Act XL of 1858. Girwar Lal attained his majority on the 14th October 1891, and the estate was released on the 30th April 1892, with Government promissory notes for Rs. 3,000 and a cash balance of Rs. 469. During management the mortgage was redeemed. Only very small works of improvement were carried out, but landed property was purchased to the value of Rs. 1,007.

Chet Singh's estate, Etah district.—This estate, consisting of shares in five villages and owned by Chet Singh, a minor, was taken under the management of the Court of Wards on 24th August 1889. The minor had petitioned Government to assume charge of his estate. His petition was forwarded to the Board, and an enquiry was made. The Collector found the estate suffering from agricultural depression and a burden of debt amounting to Rs. 15,025. The net profits being only Rs. 732, he thought it impossible to save the property. The Commissioner, however, who anticipated improvement in its condition, urged the Board to assume charge in the interests of district administration, and the Board decided to see whether anything could be done. It was ultimately found that the liabilities of the property had been understated, and in fact amounted to Rs. 22,590, and, although by a reduction of the revenue the annual profits were increased to Rs. 1,117, it was evident that nothing could prevent sale of the entire estate. The Board saw no reason to accelerate sale, and, therefore, released the estate in June 1892.

Sakarwan estate, Cawnpore district.—This estate, belonging to Lok Nath, minor, is situated in the Cawnpore district and was placed by the Civil Court under the management of the Collector under section 12, Act XL of 1858. Charge was assumed by the Court of Wards on 1st October 1884. The estate, which was not in debt, then consisted of three villages and two plots of land with a rent-roll of Rs. 5,637, besides a cash balance of Rs. 4,818 and four houses. During the term of management an eight anna share of mauza Patipur, with a rent-roll of Rs. 860, was purchased for Rs. 8,175. The ward attained his majority on the 12th July 1892, and on that date his estate was made over to him, with the concurrence of the Civil Court, intact, without any encumbrances, and with a rent-roll of Rs. 5,934. Had it not been for the purchase of mauza Patipur, the rent-roll would have decreased during management. The estate is a poor one and it has been extremely difficult, owing to want of irrigation, to keep one of the villages under cultivation. Every effort was made to have canal water brought to the village, but the canal department have apparently not been able to carry out promises made by them in this respect. It was impossible to undertake extensive works of improvement owing to the smallness of the estate, but Rs. 460 have been spent on repairing wells and planting fruit trees, and the tenants have in many cases been induced to take advances from Government to improve their holdings. The education of the ward has been carefully and successfully conducted, and management has been satisfactory in the face of considerable difficulties.

Partab Chand's estate, Allahabad district.—This large estate, consisting of 349 villages or shares of villages in the Allahabad district, besides house property, a large quantity of gold and silver ornaments, vessels, and a large banking business, was placed under the charge of the Collector by order of the District Judge, dated 3rd November 1871, under Act XL of 1858. The Court of Wards assumed management under the provisions of Regulation 52 of 1803, with effect from the 27th June 1872. It was made over to the proprietor when he had attained his majority on 1st February 1892. It then consisted of 433 villages or shares of villages. When charge was assumed, the debts due to the estate amounted to Rs. 5,01,566 of which sum a large portion was found to be irrecoverable, and was remitted. The banking business was gradually wound up. The debts due from the estate amounting to Rs. 34,567 were paid. Over two lakhs of rupees were spent in the purchase of land and other property, and at the time of its release nearly three lakhs of rupees were invested in simple and usufructuary mortgages. During management, the rental rose from Rs. 1,01,762 to Rs. 1,62,909. Of this rise the sum of Rs. 10,372 represented the enhancement of rent of the original property. Strenuous and successful efforts were made to improve the condition of the tenantry, which, when the court assumed charge, was one of great distress, by liberal grants of advances and lenient treatment; and some Rs. 1,16,491 were spent in improving the estate. In spite of the large sums spent in developing the estate, cash to the extent of Rs. 1,70,655 and Government paper of the value of Rs. 1,21,800 were handed over to the proprietor when the estate was released. The unduly large cash balance was caused by the sudden

repayment with interest of the loan of one lakh advanced to the Benares Municipality in 1891. No investment for this large sum could be found, and it was not thought desirable to purchase more Government paper, which then stood at a very high premium.

Gambhira estate, Allahabad district.—This estate, comprising shares in 81 villages was taken under the superintendence of the Court of Wards on the 10th April 1877, the proprietresses, Thakurain Gajraj Kuar and Thakurain Balraj Kuar, having been, on their own application, disqualified under section 194(*a*), Act XIX of 1873, by G. O. No. 426A., dated 16th March 1877. When charge was assumed the entire estate was about to be sold in execution of Civil Court decrees. To satisfy these, a loan of Rs. 68,723 at 7½ per cent. interest was advanced from the funds of Rai Partab Chand's estate in Allahabad, on an usufructuary mortgage of the property. This debt, as well as subsequent interest amounting to Rs. 44,385, was liquidated by the 30th September 1891 and the estate was, by order of Government No. $\frac{2941}{I-907A.}$, dated 27th November 1891, released from the management of the Court of Wards on the 16th December 1891, and made over to Thakurain Balraj Kuar, the surviving and sole proprietress. The question of improvements was not lost sight of, and small works were from time to time carried out, but the estate had so many natural sources of irrigation that the construction of many wells was not required, while its indebtedness prevented the execution of any really large works. But cultivation was extended, rents were judiciously raised, and the estate was released with a rental enhanced to the extent of Rs. 2,950 and with a cash balance of Rs. 4,396.

Kukargaon estate, Jalaun district.—This estate is owned by Nirand Singh, who, when charge was assumed in November 1876, was only six years of age. The Court of Wards assumed charge under clause (*b*), section 194, Act XIX of 1873, as the minor's grandfather was no longer able, from old age, to manage the property, which was encumbered to the extent of Rs. 13,714. The creditors agreed to accept Rs. 12,881 in satisfaction of all claims, and a loan of Rs. 13,000 at 10 per cent. interest was taken from the Allahabad Bank on the security of the estate. The accession to the estate of a small property by inheritance rendered possible the repayment of this loan within 13 instead of 17 years as at first anticipated, and a sum of Rs. 1,965-15-6 subsequently found to be due from the estate was also paid in January 1891. The rental when management commenced was Rs. 4,926. It gradually rose to Rs. 8,121, including the rental of the acquired property, but fell in 1887-88 to Rs. 7,587 and stood at Rs. 7,756 at the close of last year. This falling off in latter years was caused by the deterioration of soil and the growth of Kâns, all efforts to check which were unsuccessful. It was not possible to carry out any large improvements, but every encouragement was given to the tenants to undertake the construction of wells, repairs to embankments and the plantation of groves with the aid of advances which were freely made to them. The ward attained his majority on the 11th September 1891, and the whole estate, which he was quite competent to manage, with Rs. 4,200 invested in Government promissory notes and Rs. 29-13-10 in cash was made over to him on the 18th February 1892.

Kodai estate, Ghâzipur district.—This small property, composed of a tenancy holding of 25 bighas, was placed under the management of the Court of Wards, under Act XL of 1858, by an order of the District Judge, dated 21st April 1888, on account of the minority of the proprietor, Mahadeo Singh, and the unfitness of the then administrator, Jaisri Rai. Charge was, however, not formally assumed until the 1st October 1888. During the time that the estate was under management, the average annual income was Rs. 115 and the rent payable to the zamindâr Rs. 52. The ward attained his majority on the 31st December 1891, and the property with a cash balance of Rs. 88 was on that date surrendered to him by permission of the Civil Court.

Dumri estate, Gorakhpur district.—This estate, belonging to Sirdars Umrao Singh and Sundar Singh, and situated partly in the Panjâb and partly in the Gorakhpur district, came under the Court of Wards owing to the minority of the owners. Its general

management, including the education of the wards, was conducted under the supervision of the Financial Commissioner of the Panjab, at whose request the Board assumed charge, under section 194*(b)*, Act XIX of 1873, of the North-Western Provinces portion consisting of 29 whole villages and shares in 10 others. It was released on the 11th April 1892 at the suggestion of the Financial Commissioner, on account of the majority of the elder ward. The compactness of the estate, and its freedom from debt rendered it possible to carry out extensive and systematic improvements. Wells were constructed and repaired at a cost of Rs. 62,992 and Rs. 31,434 were sunk in the making of embankments, tanks, roads, bridges, &c., while bazárs were laid out and other miscellaneous improvements effected at a cost of Rs. 33,328, with the result that rents were amicably enhanced to the extent of Rs. 7,695. Notwithstanding this large expenditure and the remittance of Government paper to the value of Rs. 45,000 for the purchase of land in the Panjáb, a cash balance of Rs. 50,732 was handed over to the proprietors on the release of the estate. The balance was large, but management was most beneficial both to the owner and to the tenantry.

Mahona estate, Sultánpur district.—This estate comprising 27 whole maháls and shares in seven others, and belonging to Ráni Sada Bibi, was taken under the Court of Wards' management in March 1872, under section 3, Act XXIV of 1870. Ráni Sada Bibi died on the 27th August 1873. She was succeeded by her husband's nephew, Babu Jamshed Ali Khan, who died on the 18th December 1876, and was in turn succeeded by his brother, Babu Ewaz Ali Khan, the present proprietor. When charge was assumed the debts due from the estate amounted to Rs. 1,32,362. A State loan of Rs. 35,000 was sanctioned in 1873 to pay off certain mortgage debts and the balance of the private debts, which on the 31st October 1876 amounted to Rs. 98,929, was compounded for Rs. 91,959, of which Rs. 80,500 were paid by a further Government loan at 5 per cent. interest and Rs. 11,459 from surplus funds of the estate. The whole of the Government loan of Rs. 1,15,500 together with future interest amounting to Rs. 69,163 was discharged by the 30th September 1891. The liquidation of the debts was much retarded by the heavy litigation in which the estate was from time to time involved, and the marriage expenses of the Talukdar's sons. Improvements such as the construction of wells, tanks, embankments, repairs to roads, &c., were carried out at a cost of Rs. 9,311, and many tenants constructed wells with the assistance of advances. Owing to extension of cultivation and enhancement of rent the rent-roll rose from Rs. 45,627 to Rs. 50,769. The estate having been cleared of its liabilities, was released from management on the the 31st January 1892, under Government Notification No. $\frac{3226}{1-924A}$, dated 24th December 1891, and a sum of Rs. 11,132 was handed over to the proprietor.

Two Oudh estates made over to the Deputy Commissioner by the Civil Court were also released during the year, on the attainment of their majority by the proprietors. As the property was never discovered and apparently consisted in each case of a name and nothing more, these estates do not receive more than a passing reference in the report.

6. The following estates were taken under management during the year :—

Serial number.	Name of estate.	District.	Clause of section $\frac{194 \text{ Act XIX of 1873}}{\frac{103 \text{ Act XVII of 1876}}{\text{Act VIII of 1890}}}$, under which taken over.
13	Jaunmana ...	Meerut ...	Minors (by order of Civil Court).
14	Edal Singh ...	Bulandshahr ...	Ditto.
27	Eka ...	Mainpuri ...	(*g*) Persons disqualified on their own application.
42	Hari Singh ...	Bareilly ...	(*b*) Minors (by Court of Wards on its own motion).
51	Bharnoti ...	Budaun ...	Minors (by order of Civil Court).
67	Hulas Rae ...	Sháhjahánpur	(*b*) Minors (by Court of Wards on its own motion).
108	Madarpur ...	Gházipur. ...	Ditto.
109	Belsari ...		Ditto.
125	Tiloi ...	Rae Bareli ...	(*e*) Persons rendered incapable by physical defects, &c.
149	Sihipur ...	Sultánpur ...	(*a*) Females declared incompetent to manage their property.
164	Umraigaon ...	Bara Banki ...	(*b*) Minors (by Court of Wards on its own motion).

The circumstances of the three estates made over by the Civil Court under Act VIII of 1890 are not such as to require special mention. The Board satisfied themselves in each case that it was not one which should be contested with reference to section 17 (5) of the Act.

Eka estate, Mainpuri district.—This estate, comprising one whole mahál, is owned by Rája Narotam Singh Deajoo Bahádur, who was, on his own application, declared disqualified under clause *(g)*, section 194, Act XIX of 1873, by G. O. No. $\frac{1151}{I-1B}$, dated 14th May 1892. Management was assumed by the Court of Wards from the 1st of August 1892. An arrangement was effected by which the mortgagees accepted Rs. 45,000 in full discharge of their claims, which originally stood at some Rs. 70,000, and a loan of Rs. 45,000 was advanced at 7 per cent. intreest from the surplus funds of the Begam Mashuk Mahál estate in Bareilly to free the estate from debt, *vide* correspondence ending with this office No. $\frac{500N.}{X-206}$, dated 3rd June 1892. In addition a debt of Rs. 3,191 bearing very high interest has since been paid. The rental of the estate is now estimated at Rs. 18,492 and the demand for land revenue and cesses is Rs. 11,508. The rents are reported to be capable of considerable enhancement. It is scarcely necessary to say that the affairs of this estate have received and will receive the very close attention of the local officers and of the Board.

Hari Singh's estate, Bareilly district.—This estate was originally placed under the Court of Wards on the 22nd January 1892, under clause *(g)*, section 194, Act XIX of 1873, by G. O. No. $\frac{3101}{I-917A.}$, dated the 15th December 1891; the ward, Chaudhri Hari Singh, died on the 17th February 1892, and there being no male members of the family qualified to manage the property, the court retained charge of the estate on behalf of his minor son Ram Singh, who attained the age of 14 years 2 months and 14 days on the 30th September last. It consists of five whole mahals and shares in seven others, two of which are revenue-free, and some small miscellaneous holdings, besides houses, gardens and other property estimated to be worth over Rs. 30,000. Of the five whole mahâls, one is held by the estate on farm from Government and one on lease. The estimated rental of the estate is Rs. 11,000 and the demand for land revenue, cesses and patwari rate is Rs. 3,591. The debts due from the estate amounting, when charge was assumed, to Rs. 5,568 have since been paid off. Of the debts due to the estate (Rs. 15,129) a considerable portion has already been recovered.

Hulas Rae's estate, Shâhjahânpur district.—This estate consists of a 7½ biswa share in mauza Murlikhera, yielding an income of Rs. 410 and paying Rs. 254 revenue. It belongs to the four minor children of one Hulas Rai, a deceased zamíndár of the village. There being no one to look after the interests of the minors, charge was assumed by the Court of Wards on 1st May 1892.

Madarpur estate, Gházipur district.—This small estate, comprising shares in four villages, a fixed rate tenancy holding and a small revenue-free patch, is the property of Bithles Tiwari, a minor, who on the 30th September last, was aged 4 years 5 months and 15 days, and lives under the guardianship of his mother. The Court of Wards assumed charge under clause *(b)*, section 194, Act XIX of 1873, on the 9th May 1892, there being no male relative of the minor to whom the management could be entrusted. The average annual income of the property is Rs. 1,319, and the demand for land revenue and cesses amounts to Rs. 689. The debts due from the estate amount to Rs. 255 and those due to it to Rs. 625.

Belsari estate, Gházipur district.—This estate, comprising two whole mahals and shares in four others, two of which are at present mortgaged with possession to a third party, besides tanks, mangoe groves and two small revenue-free plots, with an estimated annual income of Rs. 2,096, and a Government demand of Rs. 1,091, belongs to Muhammad Sami, aged 7 years and 8 months, and Abdul Khair, aged 1 year, 2 months and 17 days, minor sons of the late Muhammad Shafi. There being no relative of these minors competent to manage their property, the Court of Wards assumed charge on

the 1st July 1892, under clause (*b*), section 194, Act XIX of 1873. The total debts due from the estate amount to Rs. 3,563, of which Rs. 2,000 are secured by a possessory mortgage of two villages for a specific term. The debts due to the estate amount to Rs. 408.

Tiloi estate, Rae Bareli district.—The circumstances which led to the disqualification of Rája Surpal Singh from managing his estate, were fully reported to Government in Board's No. $\frac{340}{X-161}$, dated 29th February 1892, and the estate was, by order of Government No. $\frac{811}{I\ 954A.}$, dated 14th April 1892, taken under the superintendence of the Court of Wards under clause (*e*), section 162, Act XVII of 1876. It consists of 112 whole villages and shares in 21 others, situated in the Rae Bareli, Sultánpur and Partábgarh districts, of which six shares are held on mortgage, having a gross income of Rs. 2,84,870, and assessed to a land revenue of Rs. 1,18,733. When charge was assumed the affairs of the estate were in the utmost confusion.

Sihipur estate, Sultánpur district.—This estate is situated in the Fyzabad, Sultánpur and Basti districts, and is the subject of litigation between the Court of Wards on behalf of the Khapradih estate and one Bisheshar Bux Singh. The Court of Wards originally obtained mutation of names in favour of the Khapradih estate. On second appeal the Commissioner of Fyzabad decided in favour of Bisheshar Bux Singh as regards the Fyzabad and Sultánpur portions. As regards the Basti portion, the Collector of Basti has decided in favour of the Khapradih estate. Legal opinion has been taken and the case is receiving the careful attention of the Board. During the two months in the year of report, in which the estate was under management, the receipts amounted to Rs. 2,805 and the expenditure to Rs. 2,156. It is inexpedient at present to enter into further detail.

Umraigaon estate, Bara Banki district.—This estate, consisting of one whole village with a rent-roll of Rs. 3,850 and a revenue demand of Rs. 1,900, belongs to Gajraj Singh, minor, aged 11 years. The Court of Wards at the instance of the local officers, assumed charge of the property under clause (*b*), section 162, Act XVII of 1876, with effect from the 6th December 1891. The estate is free from debt.

APPENDIX I.
Classification of estates.

7. The estates under the management of the Court of Wards are classified as follows:—

Clause of { Section 194, Act XIX of 1873. Section 162, Act XVII of 1876.	Number of estates.		
	North-Western Provinces.	Oudh.	Total.
(*a*) Females deemed by the Local Government incompetent to manage their estates.	12	7	19
(*b*) Minors ... Estates made over by the Civil Court	37	8	45
(*b*) Minors ... Estates taken over by the Court of Wards on its own motion.	51	20	71
(*c*) Idiots	1	1	2
(*d*) Lunatics	4	...	4
(*e*) Persons otherwise rendered incapable by physical defects or infirmities from managing their estates.	1	2	3
(*g*) Persons declared by the Local Government, on their own application, to be disqualified from managing their estates.	29	9	38
Estates managed under section 11, Act XXXV of 1858	1	1	2
Encumbered estate managed by, but not under the jurisdiction of, the Court of Wards	1	...	1
Estate managed under the Táluqdár's Relief Act	...	2	2
Total ...	137	50	187

Under the estates of minors made over by the Civil Court are included those made over under Act VIII of 1890, although in these cases the Board exercise their authority under the Notification No. $\frac{1806}{I\ 35B}$, dated 14th July 1892, issued in accordance with the provisions of section 23, Act VIII of 1890. It had been intended to show

these estates separately, but it was found more convenient to group them with the other estates. They are in fact treated, as far as management goes, as if they were Court of Wards estates.

8. The total number of estates under management during the year was 166. The explanation of the figures in the table above is that several estates are held under more than one clause.

9. The subjoined tables show the extent of the landed property of the estates under the Court of Wards, their area and population, and the rental, revenue, cess and patwari rate demands.

APPENDIX I.
Extent of landed property, &c.

Extent of landed property of estates.

	Revenue-paying.			Revenue-free.		
	Whole villages.	Shares.	Plots of land.	Whole villages.	Shares.	Plots of land.
North-Western Provinces ...	1,211	1,253¼	1	9	57	2
Oudh	1,191	1,475	101	14	...	...
Total ...	2,402	2,728¼	102	23	57	2

Area and population of estates.

	Total area.	Cultivated area			Population.
		Irrigated.	Unirrigated.	Total.	
	Acres.	Acres	Acres.	Acres.	
North-Western Provinces ...	754,203	140,372	314,262	454,634	778,544
Oudh	981,113	163,660	394,129	557,789	728,382
Total ...	1,735,316	304,032	708,391	1,012,423	1,506,926

Rental, revenue, cess and patwari rate demands.

	Gross rental demand.	Government demand.			
		Land revenue.	Cesses.	Patwári rate.	Total.
	Rs.	Rs.	Rs.	Rs.	Rs.
North-Western Provinces ...	15,53,492	6,32,161	77,467	25,470	7,35,098
Oudh	21,68,052	8,57,320	59,777	25,900	9,42,997
Total ...	37,21,544	14,89,481	1,37,244	51,370	16,78,095

As is usually the case there are considerable variations in the demands of individual estates as compared with the demands of the preceding year. In no case, however, are the reasons of sufficient interest for specific mention.

10. The following table shows the actual income, expenditure and balances for the year :—

INCOME.

	Rs.	a.	p.
Opening cash balance... ...	10,25,528	5	2
Receipts from State or Court of Wards loans	1,00,466	2	3
Receipts from other loans ...	1,925	1	0
Debts recovered	3,49,861	7	1
Takávi advances recovered ...	27,352	15	3
Rental collections	35,01,418	11	8
Rent of houses	19,418	4	11
Occupier's rate	71,322	7	0
Patwári cess	32,789	5	4
Interest on Government securities ...	33,333	10	5
Sale proceeds of land and houses ...	73,015	11	9
Ditto of Government and other securities	83,447	1	7
Miscellaneous (including interest on loans)	3,05,246	1	10
Total Income ...	56,25,125	5	3

EXPENDITURE.

	Rs.	a.	p.
Government revenue	14,89,481	6	11
Cesses	1,37,244	2	8
Owners' rate	8,315	6	3
Occupiers' rate	67,496	7	1
Patwári rate	51,370	11	0
Cost of management	2,77,742	4	5
Miscellaneous	8,92,329	7	2
Personal expenses { Ordinary ...	3,37,397	6	6
Personal expenses { Extraordinary ...	1,44,888	5	8
Educational charges	30,761	10	3
Improvements	1,36,528	2	7
Takávi advances	33,775	14	4
Repayment of principal of Court of Wards and Government loans ..	1,54,598	9	9
Repayment of principal of other debts	5,35,279	5	3
Purchase of Government securities	4,07,233	14	1
Ditto land and houses ...	67,432	1	5
Loans granted	2,10,450	3	4
Total Expenditure ...	49,82,325	6	8
Closing balance ...	6,42,799	14	7
Total ...	56,25,125	5	3

INCOME.

11. On the receipt side the following remarks and explanations alone seem called for.

APPENDIX IV. Debts recovered.

12. The sum recovered during the year amounted to Rs. 3,49,861. At the close of the year the following debts were outstanding (*vide* columns 6 and 7 of Appendix II) :—

	Rs.
Debts secured by hypothecation or mortgage of property ...	7,96,498
Do not so secured	3,41,205
Total ...	11,37,703

In one or two cases the Board thought it necessary to urge the district officers to accelerate the realization of outstanding debts; but in the majority of cases realizations were satisfactory.

APPENDIX IV. Takávi advances recovered.

13. Advances were recovered to the amount of Rs. 27,353. The balance of takávi advances outstanding at the close of the year amounted to Rs. 52,301. There is nothing in these figures to call for special comment.

APPENDIX III. Rental demand and collections.

14. The following table shows, by divisions, the collections as compared with the demand, and the percentages borne by the collections, current and arrear, to the demand :—

Division.	Gross rental demand.	Demand at commencement of the year.			Collections.		
		Current.	Arrears.	Total.	Current.	Arrears	Total.
	Rs.	Rs.	Rs.	Rs.	Rs.	Rs.	Rs.
Meerut ...	2,32,296	2,31,877	19,783	2,51,660	2,14,256	10,186	2,24,442
Agra ...	1,65,854	1,64,880	17,156	1,82,036	1,44,581	5,400	1,49,981
Rohilkhand ...	3,98,572	3,96,152	42,200	4,38,352	3,72,010	11,552	3,83,562
Allahabad ...	3,83,046	3,81,442	28,795	4,10 237	2,59,075	7,628	2,66,703
Benares ...	1,11,081	1,08,511	15,851	1,24,362	99,377	5,339	1,04,716
Gorakhpur ...	2,62,643	2,57,272	51,110	3,08,382	2,14,691	30,959	2,45,650
Total ...	15,53,492	15,40,134	1,74,895	17,15,029	13,03,990	71,064	13,75,054
Lucknow ...	8,62,084	8,51,965	1,88,796	10,40,761	8,25,369	12,705	8,38,074
Fyzabad ...	13,05,968	12,97,905	59,427	13,57,332	12,62,699	20,192	12,82,891
Total ...	21,68,052	21,49,870	2,48,223	23,98,093	20,88,068	32,897	21,20,965
Total, N.-W. P. and Oudh.	37,21,544	36,90,004	4,23,118	41,13,122	33,92,058	1,03,961	34,96,019

Division.	Balance.	Advance collections on account of the following year.	Percentage of collections to demand.		
			Current.	Arrears.	Total.
	Rs.	Rs.			
Meerut	27,218	1,492	92·	51·	89·
Agra	32,055	63	88·	31·	82·
Rohilkhand...	54,789	2,376	94·	27·	87·
Allahabad	1,43,535	198	68	26·	63·
Benares	19,645	1	92	34·	84·
Gorakhpur	62,733	12	83·	61·	80·
Total ...	3,39,975	4,142	85·	41·	80·
Lucknow	2,02,687	717	97·	7·	81·
Fyzabad	74,440	539	97·	34·	95·
Total ...	2,77,127	1,256	97·	13	89·
Total, N.-W Provinces and Oudh ...	6,17,102	5,398	92·	25·	85·

The percentages of total collections of all kinds for the North-Western Provinces have fallen as compared with those of the preceding year. The figures are, however, misleading. The fall is chiefly due to the inclusion in the figures for the demand on certain estates of sums, which, owing to the approaching release of the estates, could not possibly be collected before release. Dealing with the collections by divisions the following remarks seem sufficient.

Meerut Division.—Collections were generally very good. In the Meerut, Bulandshahr and Aligarh districts, the lowest percentage of current collections was 97 per cent., while arrear collections were satisfactory. The divisional average is reduced by the figures for the Kunjpura, Sambalhera, Bidauli and Bhandura estates. The first estate is managed in the Panjáb; the two last were released before their demands could have been fully realized; while in Sambalhera the arrears were chiefly due to excessive rainfall and floods, and the withholding by tenants of their rents in the belief that the estate was about to be released.

Agra Division.— In the Agra Division, the percentage of current and total collections fell; that of arrear collections rose as compared with the results of the previous year. The low percentages in the Parna, Nagla Kisi and Chet Singh's estates, which sensibly affect the figures for the division, are due to the estates having been released before the close of the year. In Chet Singh's estate, which is situated in a deteriorated tract, collections have been consistently poor. The collections on the estates in the Mainpuri district and of the Arjunpur estate, part of which lies in this district, were, owing, it is said, to a succession of inefficient managers, and, it must be added, to the absence of adequate supervision by the Collector, most unsatisfactory. In the Jasoda Kunwar estate, it is reported, the tenants are out of hand. Necessary measures have been taken to galvanize the collecting staff into greater activity, and better results are expected next year. The rent-rolls of all the estates have now been carefully examined under the directions of Messrs. Baker and Rose (for portions of the estates lie in the Farukhabad district) and the reductions and remissions of rent found to be necessary have been sanctioned by the Board. The Board, while entirely accepting the views of Messrs. Rose and Baker, that the bad results are chiefly due to bad management, are in the case of the Arjunpur estate, making certain test enquiries with a view of ascertaining whether there are not other operative causes. The estates in the Mainpuri district will receive their special attention. The short collections on the Chakkarnagar estate in the Etáwah district are due to the default of the lessee. Owing to his financial embarrassment the lease has been terminated and the estate taken under direct management. A suit has been instituted to recover the arrears.

Rohilkhand Division.—The percentages of collections of all kinds fell slightly as compared with the figures for last year, but were still very good on the whole. The cause generally assigned for poor results, is inferior harvests. In Mt. Anandi's estate, in the Bijnor district, collections are obstructed by the action of contending litigants, for the estate is the subject of litigation. Collections have, the Board are glad to see, improved in Sháhjahánpur. Writing of the Azizganj estate, which suffered severely from bad seasons, Mr. Irwin says:—"I satisfied myself that all was done that could be done, and that no more could have been collected without an amount of pressure, which would have been cruel and impolitic" and in the case of other estates he gives a similar assurance. The Board are satisfied with the results, in view of the circumstances reported. Mr. Cadell is well aware that rent collections are difficult in Sháhjahánpur, where high rents have followed a high revenue assessment. The collections on the Ghungchai estate in Pilibhít were not very satisfactory.

Allahabad Division.—The very considerable fall in the divisional percentages of collections, as compared with those for last year, is largely attributable to the figures for the Sakarwan and Partab Chand estates, which were released during the year. Collections have been generally satisfactory, except in Bánda, where they were distinctly poor. The condition of the Bánda estates has received and will receive close attention. Undoubtedly it has in great measure been brought about by bad management. The district has in the past been split up into circles for each of which a sazawal has been appointed. There have been difficulties in the way of supervision and but little control has been exercised over the sazawals by the Collector or his assistants. Mr. Trethewy was anxious for the appointment of a special manager; but in the first place the estates could not afford it and in the second place the distances between the estates are so great that nearly every officer who has served in Bánda in recent years, has given his

opinion against the appointment of one highly paid manager. During last cold weather Mr. Kaye, the Commissioner and the Collector met in the district and unanimously agreed that the most desirable change would be to place the sazawals under the Tahsíldárs. This has been done, and the Board hope that with more efficient management, and in the case of some estates a reduced revenue, the Court of Wards will be more successful during the current year. Until the results of the recent change show how far, in the past, bad management was responsible for failure, the Board are not prepared to take any decided action with regard to the Bánda estates, the worst of which will be inspected on the first opportunity.

Benares Division.—In the Benares division the percentages of both current and arrear collections rose. Collections were not satisfactory in the Jaunpur district.

Gorakhpur Division.—Collections were generally better than in the preceding year, though the percentage of total collections remained the same. In Narharpur and Majhauli collections are still unsatisfactory. In Narharpur a succession of agricultural calamities has crippled the tenantry, and the Board have requested the Collector to do all in his power to assist them by giving advances freely, without an exacting regard for security, and by exercising great care in insisting on demands for arrears. In Majhauli the tenants are less unfortunate and the Collector reports "collections are not so bad as they appear to be. There are a number of abadkars and others, who do not pay rent till sued in court, and the result is that the estate collects the money a year late at 12 per cent. interest. Decrees are collected practically in full, and the money so realized may be considered to have been invested for one, two or three years at 12 per cent." From whatever point of view considered, the results give the Board no sort of satisfaction. It is admitted that Rs. 10,000 more might have been collected within the year, had not the collecting staff been engaged altogether improperly as the Board have said, in making arrangements for marriage ceremonies, and it is to be hoped that more continuous efforts will be made during the current year to realize all that can properly be realized. In this connection it may be stated that the Board have recently received information from Gorakhpur that the collections up to May of this year have decidedly improved.

Collections in the **Fyzabad** and **Lucknow Divisions** were excellent. The very low percentage of arrear collections in the Lucknow division is due to the large outstanding balances in Tiloi (Rs. 1,62,973), which came under management during the year with its affairs in a state of indescribable confusion.

A sum of Rs. 5 398 was collected in advance, Rs. 4,142 in the North-Western Provinces and Rs. 1,256 in Oudh. These fgures do not require any special explanation.

APPENDIX III.
Balances.

15. The balances aggregating Rs. 6,17,102 are classified by divisions as follows :—

Division.	Balance.			Percentage of total arrears to gross rental.
	Current.	Arrears.	Total.	
	Rs.	Rs.	Rs.	
Meerut	17,621	9,597	27,218	12·
Agra	20,300	11,755	32,055	19·
Rohilkhand	24,141	30,648	54,789	14·
Allahabad	1,22,368	21,167	1,43,535	37·
Benares	9,133	10,512	19,645	18·
Gorakhpur	42,581	20,152	62,733	24·
Total, N.-W. P. ...	2,36,144	1,03,831	3,39,975	22·
Lucknow	26,596	1,76,091	2,02,687	21·
Fyzabad	35,206	39,234	74,440	6·
Total, Oudh ...	61,802	2,15,325	2,77,127	13·
Total, N.-W. P. & Oudh ...	2,97,946	3,19,156	6,17,102	17·

The causes of the balances have been explained generally in dealing with short collections, and no special remarks seem called for here. In reviewing the several reports the Board passed such orders as seemed necessary for the realization of unduly large balances.

APPENDIX IV. Sale proceeds of land and houses.

16. Under this head the only noteworthy receipt is one of Rs. 55,000 to the credit of the Bhiragobindpur estate. It represents the price of property in Amritsar, which was sold in order to clear off the debts of the late Captain Gulab Singh.

APPENDIX IV. Sale proceeds of Government securities.

17. Of the total sum of Rs. 83,447 credited under this head, Rs. 32,000 were credited to the Kharka estate and Rs. 40,000 to the Mailaraiganj estate. In the case of the former, Government paper was sold with a view to the redemption of a mortgage held by the latter estate; in the case of the latter estate the money was suddenly required.

Miscellaneous receipts.

18. Under the head miscellaneous receipts are included all receipts which cannot be brought under any other recognised head of account. To give anything like a complete idea of their nature would involve an amount of labour wholly out of proportion to any advantages of wider information. It is hoped that Government will be satisfied with the following explanations of the largest individual receipts.

The figures for Rampur (Rs. 42,000) include Rs. 26,000 for the sale of jewelry and Rs. 15,000 for an allowance from the Rámpur State. The sum of Rs. 24,000 received in Majhauli, includes Rs. 16,697 for malikana. The Bhiragobindpur estate received Rs. 52,468 as the capitalised value of part of the pension of the late Captain Gulab Singh, Rs. 10,775 for miscellaneous articles sold at Amritsar, and Rs. 4,082 from the Cashmere Darbár, all of which were credited under this head. While the figures for Tiloi (Rs. 30,815) are swelled by the inclusion of Rs. 29,854, which had been collected during the Rája's minority, but were only recovered in the year of report.

EXPENDITURE.

APPENDIX IV. Government revenue, cesses and patwári rate.

19. Turning to expenditure, Rs. 14,89,481, Rs. 1,37,244 and Rs. 51,370 were paid for land revenue, cesses and patwári rate respectively. Column 28 of Appendix IV shows the percentage of land revenue to rental receipts. For the two provinces it is 43 per cent.

On the following estates the percentage is high :—

Parshadi Lal (Muttra)	75·
Dhukri (Sháhjahánpur)	90·
Bhamba (Bánda)	92·
Singhpur (Do.)	132·
Partab Chand (Allahabad)	83·
Kukargaon (Jalaun)	102·
Madarpur (Gházipur)	79·
Belsari (Ditto)	71·
Pandriganeshpur (Rae Bareli)	66·
Tiloi (Ditto)	66·
Sihipur (Sultánpur)	146·

The following are the explanations. The high percentage in the Parshadi Lal, Dhukri and Bhamba estates, is due to arrears on account of previous years having been paid during the year of report. In the Partab Chand and Kukargaon estates it is due to the release of the estates during the year. The demand for the Belsari and Sihipur estates included large arrears. The high percentage in Madarpur is due to short collections. The Pandriganeshpur estate derives nearly two-thirds of its income from revenue-free land; the percentage on the total rental collections is only 23. Collections were made in Tiloi for only some six months of the year. In reviewing the report for last year, Government called for proposals for the reduction of revenue on the Singhpur estate. These proposals were not submitted, and from a Court of Wards point of view the matter is not important, inasmuch as the estate, being assignee of part of the revenue, would lose as well as gain from a reduction of the assessment. In the interest of the village, however, the matter will now be enquired into.

APPENDICES XI AND XII.

20. Rupees 8,249 of the current revenue demand, and Rs. 1,322 of the demand for past years were in arrear at the close of the year. The arrears for the Dadon estate in Aligarh alone call for notice. They amounted to some Rs. 7,000 and accrued in the Etah district. The amount has since been paid.

APPENDIX IV. Owners' and occupiers' rates.

21. The sums of Rs. 8,315 and Rs. 67,496 were paid to Government on account of owners' and occupiers' rates respectively. Rupees 71,322, however, were realized from tenants for occupiers' rates. The excess is due to an arrangement on the Dadon estate by which the tenants pay additional occupiers' rates instead of having their rents enhanced. The Collector appears to find this a convenient arrangement, but it is *primâ facie* an undesirable one and the question of its retention is now being considered.

APPENDIX IV. Cost of management.

22. The total cost of management for the provinces amounted to Rs. 2,77,742, and fell at the rate of 6 per cent. on the receipts shown in columns 7 to 14 and column 17 of Statement IV. In a few estates—in those especially to which reference was made in the report of the preceding year for the North-Western Provinces,—the cost was prominently high. Individual cases have been thoroughly considered by the Board, who have given this matter unremitting attention. Extensive reductions have been made in the Sultánpur establishments, and in Oudh generally, where the introduction of the new forms of accounts renders unnecessary, as a rule, the employment of sarbarahkars. Special managers on lower salaries, have since the close of the year been appointed in Allahabad and Gorakhpur. Separate and detailed budgets for sadr establishments for districts, where the special scheme of management is in force, have, also since the close of the year, been introduced into the North-Western Provinces, (they already exist for Oudh) and an effective check will be maintained on all establishments. Mr. Cadell is, however, inclined to think that the danger of over reduction is a real danger in the face of the annually increasing labours of District Officers.

Special scheme of management.

23. The following table shows the districts in which the special scheme of management was in force, with its cost in each case, and the percentage of that cost to the normal income. The figures in column 3 represent the charges for the whole district establishment:—

District.	Income for 1891-92.	Cost of management.	Percentage of cost of special management.
	Rs.	Rs.	
Bareilly	1,89,170	11,259	5·9
Allahabad	2,24,911	15,248	6·8
Gházipur	86,709	7,802	9·0
Gorakhpur	2,99,131	18,399	6·2
Rae Bareli	3,60,478	18,603	5·2
Sitapur	1,16,940	7,841	6·7
Kheri	4,68,818	32,834	7·0
Sultánpur	1,87,651	14,958	7·9
Bara Banki	10,66,652	47,473	4·4

As stated in last year's reports, the special scheme was discontinued in Sháhjahánpur and introduced into Bareilly and Sitapur during the year of report. Success has marked the advantages of the scheme for ordinary districts so clearly that Mr. Cadell desires to see it introduced, other conditions not being unfavourable, wherever the estates can afford it. In no case was the cost excessive. In all cases the scheme worked well.

The Board desire especially to acknowledge, for the last time, the services rendered to the Court of Wards during a long series of years by Munshi Zainul-Abdin, Khán Bahadur, late special manager in the Allahabad district. His work has been so often and so highly commended that there is little to add now. It was excellent to the very last, and in his transfer to other duties the Court of Wards has lost a most loyal, efficient and trusted servant.

APPENDIX IV. Miscellaneous charges.

24. The expenditure on miscellaneous charges amounted for the two provinces to Rs. 8,92,329. The charges are for the most part payment of interest on debts and law expenses. For the reasons recorded above in dealing with miscellaneous receipts detailed explanations are not given. By way of illustration, however, it may be noted that the figures for the Dadon estate (Rs. 36,981) include, besides interest on loans, the sum of Rs. 11,592 spent upon the plant of the estate's indigo factory. The expenditure for the Mashuk Mahal estate (Rs. 17,673) includes Rs. 13,622 for premium, &c, on its large purchases of Government securities. On the Kurwar estate the following sums were spent under this head, Rs. 14,167 in the completion of the Rája's palace; Rs. 1,045 on repairs to boundary pillars; and Rs. 2,323 for the payment of chaukidárs.

APPENDIX V. Personal expenses of proprietors.

25. The ordinary personal expenses amounted for both provinces to Rs. 3,37,397. These figures call for no remark. Extraordinary personal expenditure, which for the two provinces amounted to Rs. 1,44,888, was high on the following estates for the following reasons:—

Majhauli (*Rs.* 57,802).—Rupees 50,000 were incurred in the marriage expenses and dower of the ward's eldest sister.

Khairigarh (*Rs.* 13,763).—A pilgrimage and marriage account for Rs. 11,000 of this sum.

Khaprodih (*Rs.* 5,900).—This includes Rs. 5,000 for the marriage of the deceased ward's sister. (At the urgent request of the family and local officers an additional sum of Rs. 10,000 has been sanctioned since the close of the year).

Kurwar (*Rs.* 9,009).—This includes marriage expenses of the ward and the purchase of horses.

Maiharaiganj (*Rs.* 10,485).—This includes Rs. 9,789 marriage expenses.

In these cases alone is remark necessary. The Board and the local officers do everything in their power to discourage unnecessary expense, and every item receives careful attention. An attempt is now being made to restrict expenditure systematically with reference to the income of the estate.

APPENDIX V. Education.

26. The charges for education for the provinces amount to Rs. 30,762 only, or little more than half the sum spent on the Majhauli marriage. This is a very small expenditure in view of the advantages received, or at any rate proffered. In addition to this sum the estates under the Court of Wards have contributed to the funds of deserving educational institutions, and since the close of the year the Board have sanctioned many large donations from the large estates in Oudh, to the Colvin Institute at Lucknow. It may be added that the education of the wards is a matter to which Mr. Cadell intends to give special attention. Statements showing the educational arrangements of all kinds for every ward in the united provinces are now being compiled.

27. The efforts made to give practical effect to the desire of the Government of India, that wards should receive some instruction in horse-breeding and agriculture, have not as yet been successful. District Officers were asked to name wards for a class to be instructed in horse-breeding at Hapur. Two wards in the provinces were willing to go, if wanted, and the proposal fell through. Difficulties as to accommodation and control are at present great, and more than one Collector expressed strong views against the advisability of sending wards away from the supervision under which they have grown up. The want of proper accommodation was the chief reason why the Board were obliged to discourage recently the proposal to form an agricultural class at Cawnpore (*vide* correspondence ending with this office No. $\frac{530}{X-22}$, dated 15th March 1893).

Improvements.

28. The expenditure on improvements shows a satisfactory advance on that of the preceding year :—

	North Western Provinces.	Oudh.	Total.
	Rs.	Rs.	Rs.
1890-91	.. 36,636	44,731	81,367
1891-92	... 56,249	80,279	1,36,528

and the Board are glad that the wishes of Government, aided by their own strenuous and particular insistence, have at last to a considerable extent been realized. With the large results exhibited above it seems unnecessary to expatiate into what could only be more or less unmeaning detail. The general nature of the improvements may be described as ranging from "miscellaneous and repairs" to the development of means of communication on and in the vicinity of the estates, but as consisting chiefly in the construction of wells.

29. The following table will show for divisions, the amount spent :—

	Rs.	a.	p.
Meerut	15,698	2	8
Agra	4,602	5	6
Rohilkhand	19,384	8	0
Allahabad	2,862	3	6
Benares	2,823	1	2
Gorakhpur	10,878	14	5
Lucknow	21,724	7	9
Fyzabad	58,554	7	7

The expenditure in Rohilkhand, where the estates are very numerous, exceeds that of the other divisions in the North-Western Provinces, but is less than that in the Lucknow and only about one-third of that in the Fyzabad division. The large and comparatively compact estates in Oudh lend themselves to improvement far more readily than the smaller and more scattered estates in the North-Western Provinces, but the expenditure in Bareilly, for instance, is small considering the resources of the Mashuk Mahal and Madhopur estates. The Board have recently sanctioned, as an experiment, the employment of a trained overseer on Rs. 150 per mensem to devise and execute projects for improving the estates in this district, and they expect better results in future years. Mr. Cadell knows that the late Mr. Connell took great pains to improve the estates under his charge, and that more would have been done but for the difficulty of obtaining competent supervision.

30. In reviewing the Court of Wards report for the North-Western Provinces last year, Government enquired whether it was not possible to protect the Majhauli estate from floods. The Collector of Gorakhpur has reported that, even if it were physically possible, it would be impossible financially, and the Board have accepted his answer as sufficient. The expenditure on improvements has increased in this district during the year of report, and the Board consider that this increase should continue. They have reason to believe that the Commissioner (Mr. Ferrar) will give special attention to this important branch of estate management.

31. The following extract from Mr. Calnan's report on the Dahyawan estate seems to be of sufficient interest for permanent record :—

"The other improvements consist of repairs to old wells, which were buried many years ago—so long ago, in fact, that the oldest inhabitants of the neighbourhood in which they are situated have no recollection of them. The presence of some bricks near the surface led people to opine that there must be something more than met the eye. Accordingly, some years ago, the Tamolis dug one of these likely spots and were rewarded by coming across an excellent cylinder. While I was on tour in that neighbourhood some similar spots were pointed out to me. I had them dug up with the result that three similar cylinders were brought to light. The average cost of excavation was a little over Rs. 50 per well. This includes some petty rewards which I gave to the finders with a view to other similar spots being brought to my notice, and the result has been that when on tour in the same neighbourhood towards the end of October this year, three or four other such sites were pointed out. These also I am

having dug up. From their appearance all these wells are obviously of great antiquity. The most probable theory connected with them is that they were concealed to reduce the water supply with a view to escaping the exactions which were to be dreaded from the camping in the neighbourhood of one of the king's armies. This was done by destroying the platform, breaking the cylinder to a depth of three or four feet from the surface and then filling up with earth. The value of the three wells discovered last year is at least Rs. 2,000."

Discoveries of this kind are not unknown in Court of Wards management, and it is possible that when the Partábgarh settlement has been concluded, the people will themselves take more interest in the discovery of old and concealed wells.

32. The following are the estates on which over Rs. 5,000 was spent :—

	Rs.
Bhandura (Muzaffarnagar)	8,286
Sahanpur (Bijnor)	6,920
Bansgaon (Gorakhpur)	6,359
Khairigarh (Kheri)	5,754
Rehwa (Bahraich)	6,446
Kurwar (Sultánpur)	9,618
Mailaráiganj (Bara Banki)	10,118
Ramnagar Dhameri (Bara Banki)	9,127

The cases of individual estates have been separately considered and such orders as seemed necessary to give effect to the wishes of Government have been passed. Altogether the Board are satisfied that the importance of improving Court of Wards estates is now fully recognised. Indeed one of the Collectors in the North-Western Provinces has undertaken to "ferret out" improvements during the cold weather. As the Commissioner observed, improvements which require to be "ferreted out" are probably not very desirable, and in practice the Collector would of course recognize this. The remark is only quoted to show the spirit which is abroad, and which will doubtless lead to enhanced expenditure in future years. The Board must rely upon the local officers to see that the wishes of Government and their own instructions are not abused, and that under the name of improvements money is not thrown away.

33. The chief difficulties in the way of improvements are the nature of the estates and the want of an adequate staff. For instance, it is only in compact estates that large improvements are possible, while in fractional shares of villages very few improvements can be carried out; and in this connection it may be noted that in the two provinces there are 2,890 shares in villages and patches as compared with 2,425 whole villages. In canal irrigated districts, again, the sphere of remunerative improvement is limited, while in Bundelkhand it is almost entirely restricted to the construction of petty embankments and of wells for drinking purposes to facilitate the establishment of new hamlets. As regards establishment the Board have encouraged the entertainment of trained overseers by estates which can afford their services, and such men have actually been employed in one or two districts. It is in itself of the nature of an improvement to have trained men moving among the people, and the Board will give their special attention to this matter in reviewing the budgets for the ensuing year.

34. In reviewing those budgets they will also direct the special attention of the local officers to the reclamation of usar land, where they have reason to believe there is usar land to reclaim; to the purchase of pony and donkey stallions from Babugarh (a few have already been purchased); and to the improvement of village sanitation. In Mr. Cadell's opinion, the last object will best be realized, by making, as a commencement and in communication with the Sanitary Department, the head village of the estate a model of sanitary excellence, or rather of the absence of gross insanitary conditions. In the case of much indebted estates, the Board will direct that only such improvements as are speedily remunerative, or which are absolutely necessary from a sanitary point of view should be carried out, and that the liquidation of debt should receive first attention. This they understand to be the wish of Government. Anything in the nature of an experiment on an embarrassed estate is clearly out of place.

35. As already stated, the Board have not thought it necessary to explain in detail what has been done. They are satisfied that Government will accept their assurance

that this matter has received and will receive unremitting attention. Mr. Moule, Colonel Currie and Mr. Ferrar have in this matter rendered the Board an assistance which they desire to acknowledge.

Sansiahs

36. It has been customary to report on the Sansiahs while dealing with improvements. During the year of report the only possible reason for this classification has vanished, for the Sansiahs themselves, it is generally reported, have not shown any signs of improvement in their habits or their conduct. On the Rehwa estate "they seem to have made no improvement in their character and mode of living." On the Sarái Mir estate seven notices of ejectment "were issued in order to provide holdings for the Sansiah families. As the Sansiah cultivators have deserted, the former cultivators have been allowed to resume their holdings on terms favourable to the estate"—a proceeding which has not failed to attract the unfavourable notice of the Commissioner and the Board. On the Bara estate, every possible attention has been paid to them with no good result. Fields were sown for them, but they refused to tend them; and when sent to weed they purposely damaged the crops. Bullocks, goats, fowls, agricultural implements, &c., were given them, only, for the most part, to be lost or destroyed or sold; and Mr. Thomson concludes as follows: "from the experience thus gained of the Sansiahs in the course of the last three years, I have no hesitation in saying that the case is a hopeless one. I believe that they will never be induced to give up their pernicious habits or be persuaded to earn an honest livelihood by manual labour or agriculture. I will, however, continue to do my best to endeavour to reclaim them, though I despair of achieving any practical results." In passing orders on this report, Mr. Kaye desired to place on record, with regard to the location of Sansiahs on Court of Wards' estates, his conviction of the assured failure of all efforts to reclaim this hopeless people. This opinion is borne out by Mr. Cadell's experience, which has been that a Sansiah settlement is an undisguised tax on the zamíndár entrusted with the experiment, or an unmitigated nuisance to the neighbourhood; in many cases it is both.

APPENDIX V
Takavi advances.

37. Takávi advances, aggregating Rs. 33,776, were made to tenants. Rupees 13,388 of this amount were advanced on 30 estates in the North-Western Provinces and Rs. 20,388, were advanced on 27 estates in Oudh. The Board drew attention by a Circular letter to paragraph 8 of the Government of India's Resolution No. $\frac{2771\text{-}79}{70}$, dated 31st December 1891 (Revenue and Agricultural Department) and urged the general importance of giving advances freely wherever they may be required. As regards individual estates they feel that it is a matter which must be left almost entirely to the discretion of District Officers. They, therefore, have been and are careful in individual cases not to unduly stimulate the offering of takávi to tenants. At the same time they have not unfrequently asked, in passing the budgets, whether an allotment could not advantageously be increased, or have indicated their readiness to increase it if necessary. In cases in which they have had reason to know that the tenants were really in need of help they have issued special and suitable instructions. They are satisfied that the District Officers generally have given this matter careful attention.

APPENDICES V AND VII.
Repayment of loans.

38. The total principal of debts due from estates which were under management during the previous year, and from those which came under management during the year of report amounted to Rs. 42,23,308. Of this Rs. 6,89,878 were paid during the year. The balance at the close of the year, therefore, amounted to Rs. 35,33,430, as shown in column 11 of Statement VII.

39. The following abstract shows the progress made in the liquidation of debts :—

		Rs.
Debts due when superintendence was first assumed	...	... 86,70,685
Incurred after ditto	...	... 56,87,330
	Total	... 1,43,58,015
Debts paid off by incurring other debts or sale of property	...	... 57,54,503
Ditto from cash balance in hand or otherwise	...	... 50,70,082
	Total	... 1,08,24,585
	Balance	... 35,33,430

40. The following table shows the condition of the estates held under clause (*g*) of the disqualifying sections of the Revenue Acts, whose debts should in ordinary course be liquidated as soon as possible, and which should ordinarily be released as soon as this has been done :—

List of estates managed under clause (g), sections $\frac{194, \textit{Act XIX of } 1873}{162, \textit{Act XVII of } 1876}$.

Division.	District.	Name of Estate.	Surplus available income, column 27, Statement IV.	Expenditure on improvements, column 10, Statement V. 		Total ...	4,94,670	20,247	2,32,808	1,75,480	66,135	14,29,690

The Dadon estate has recently come under management. Fresh liabilities were discovered, and a further loan of Rs. 35,000 has had to be taken. It is hoped that the bottom of its indebtedness has been sounded. The estate is being managed by the proprietor's son, who is reported to be as careful as his father was careless, in business affairs. But the release of an estate which has come under management owing solely to the careless extravagance of the owner should be accelerated, and the possibility of profitably disposing of outlying villages will be considered.

The Mainpuri estates have already received special notice. Before taking any action to accelerate the payment of debt, the Board desire to see the result of the management in the present year.

The Collector has been asked if outlying parts of the Ballia estate cannot be sold.

The Sahanpur estate is retained under management for peculiar reasons as Government are aware.

The reasons for the retention of the Karbai, Chirgaon, Lalitpur and Karim-ud-dinpur estates were given in this office No. $\frac{2385N}{X---}$, dated 22nd September 1892.

A claim has been raised to part of the cash balance in the Bahuri estate, and the debt could not, therefore, be paid off.

The Bánda estates have already received special notice. The adult proprietors of the Diya Chakwa estate have deposited the balance of the debt due, and Government are being asked separately to remove their disqualification.

The Board have, since the close of the year, called for and sanctioned proposals for the sale of outlying villages and shares of villages on the Bara estate to the value of one lakh of rupees. Mr. Cadell desires to draw attention to the fact that two of the sons of the Rája are in Government service, holding good appointments, while the third and eldest son is retained as manager, as an instance of the way in which the generosity of Government in these matters is strained.

The circumstances of the Sarái Mír and Pandríganeshpur estates are peculiar.

The Deokalia (nine annas) estate has been released since the close of the year; and proposals for the release of the (seven annas) share are before the Board. The circumstances of these two estates are somewhat peculiar and have been fully considered.

The debt due from the Khairigarh estate represents a subscription alleged to have been promised by the late Rája, about the propriety of which there was some doubt, but which has been paid since the close of the year.

The financial condition of the Mallanpur estate is receiving the attention of the Board.

These explanations are given in view of the observations of Government in the review of the last report for the North-Western Provinces. The Board will be glad if Government will assume in future that they are as anxious as are Government not to prolong unduly the management of embarrassed estates. The necessity for sale of outlying villages and fractional shares in cases, where the debts are unmanageable, is one upon which, other things being equal, Mr. Cadell will insist.

41. It may be noticed that the Anapur estate has a cash balance sufficient to pay off its debts. There is no reason why this loan should be at once repaid, and funds are required to make a large purchase of landed property.

APPENDIX VIII. State loans.

42. The following estates were indebted to Government to the following extent at the close of the year :—

	Rs.
Arjunpur	22,162
Sangaband	2,351
Bahua	28,000
Pandriganeshpur	9,000
Bhiragobindpur	73,400
Togapur Yakutganj	31,000
Total ...	1,65,913

The arrears due at the end of the year were principal Rs. 21,343, interest Rs. 1,221, or a total of Rs. 22,564. These arrears were chiefly composed of the figures for Arjunpur (Rs. 22,162). The circumstances of this estate were alluded to in paragraph 26 of the last report. The estate has, as already stated, suffered from bad management, and the Board are not at present prepared to advocate sale of any portion of it. If no improvement is effected or no sign of real improvement is discovered during the current year, there will, however, be no alternative.

Court of Wards' loans.

43. The arrears due at the close of the year for loans advanced by the Court of Wards amounted to Rs. 13,005 (principal Rs. 9,412, interest Rs. 3,593). These figures call for no remark.

APPENDIX V. Investments.

44. The investments of the year may be grouped as below :—

	Rs.
In the purchase of Government securities	4,07,234
Ditto land and houses	67,432
In loans	2,10,450
Total ...	6,85,116

The Mashuq Mahal estate purchased Government paper to the value of Rs. 1,50,000, while the Mailaraiganj estate purchased to the extent of Rs. 1,47,000. The total amount of Government paper held by the Court of Wards at the end of the year amounted to Rs. 11,43,700. This is a large sum; but the Board hope that profitable investments in loans will be found for a considerable portion of it before the close of the current year.

45. The importance of finding suitable landed investments has been urged again and again, and the Board will continue to urge it, that it may not by any chance escape attention. The only substantial purchase during the year was that of a 10 biswa share in Madhopur. The Board are averse, as a rule, to investments in house property. As trustees they have to regard other things besides the disposal of easily available funds. For instance, they require special reasons for the purchase of land, the profits of which do not yield as much as 4 per cent. on the capital outlay. Making all allowances, however, for the difficulty of finding landed investments, which the Board fully recognise, they are still of opinion that more might have been done during the year of report. They have reason to believe that the present year will give better results.

46. In many cases the closing balance appears to be high. In most of such cases there was some valid reason for this. In all such cases the Board, in reviewing the reports, issued such orders as seemed necessary.

APPENDIX V.
Closing balance.

47. The financial results of the year may be summarised as below :—

Summary of income and expenditure.

	Rs.
Opening balance	10,25,528
Receipts	45,99,597
Total ...	56,25,125

Closing balance	6,42,800
Total ...	56,25,125

48. Three hundred and fifty-five notices of ejectment were issued during the year as against 421 in the year preceding, representing an increase for Oudh of 59 and a decrease for the North-Western Provinces of 125. The decrease for the North-Western Provinces is chiefly due to the fact that, whereas in the preceding year 55 notices were issued on the Ram Saran Das and 53 on the Murari Lal estates, during the year of report three only were issued on the former estate, and none on the latter. In Oudh there have been noticeable increases on the Pokhra, Bhilwal Sikandarpur and Narauli estates. On the Raghunath Das estate nine notices were issued to prevent the acquisition of occupancy rights. They were issued under the Collector's special orders, and may be presumed to have been properly issued. In no case was any objection raised. The 13 notices of the Sujrai Karauli estate were served on habitual defaulters. The reason elicited for the 26 notices issued on the Budh Prakash estate was that "the cultivators were too many and the holdings too small"—a reason which the Board have said is by itself not sufficient. There were 123 notices on the Bara estate as compared with 124 in the preceding year, the reasons for their issue being the same as those formerly reported. These are not considered sufficient, and the Collector has been asked to watch the management in this respect of an estate which is responsible for more than half of the total number of notices issued in the North-Western Provinces. With regard to the 33 notices issued on the Bhilwal estate, the Deputy Commissioner reported that 23 were issued to refractory tenants, who refused to pay enhanced rents, and 10 to get rid of troublesome tenants. The action of the Deputy Commissioner was legal and the holdings were easily susceptible of the proposed enhancement. He has, however, been requested to assure himself that the management is considerate to the tenantry.

APPENDIX IX.
Notices of ejectment.

Eighty-eight notices or about 25 per cent. of the total number issued were contested, 21 or 6 per cent. successfully and 67 or 19 per cent. unsuccessfully. In 122 cases the

tenants relinquished their holdings and in 145 cases they were permitted to remain in possession at enhanced rents. The average area per notice was 10 acres. Considering that over a million acres are cultivated under the Court of Wards, these provisions of the Rent law do not seem to be abused. Seven notices are shown as contested successfully on the Karbai estate. In reality they were withdrawn, and the tenants either paid up or promised to behave properly in future.

APPENDIX X. Applications for enhancement of rent.

49. Only nine applications for enhancement of rent, affecting nine tenants, and relating to 122 acres, were decreed during the year. The rent was raised from Rs. 139 to Rs. 249, the average rates rising from Rs. 1-2-2 to Rs. 2-0-6. The number of applications recorded is marvellously small, and in many cases no doubt enhancements are obtained by consent or by the issue of notices or by threat of ejectment.

APPENDIX XVII. Civil litigation.

50. The civil litigation of the Court of Wards is dealt with in the Legal Remembrancer's Report. Of the amount decreed in favour of the Court of Wards (Rs. 1,63,696) Rs. 45,090 only were collected: Rs. 9,870 were remitted, leaving an uncollected balance of Rs. 1,08,736. This balance is classed as follows:—

	Rs.
Recoverable	1,02,700
Irrecoverable	3,917
Doubtful	2,119

The Court of Wards like other decree-holders, finds that their decrees are not always realizable.

Miscellaneous.

51. The Book Circular alluded to in paragraph 31 of the last report for the North-Western Provinces received the sanction of Government during the year of report, and the new forms of account were introduced generally with effect from the beginning of the current year. The Book Circulars for the North-Western Provinces were also revised with a view of assimilating them to the Board's Circulars for Oudh.

Conclusion.

52. District officers, as usual, have managed the estates entrusted to their charge with great care, and with great advantage to the estates. The following officers seem to the Board to have specially deserved acknowledgment of their labours: Messrs. Lambe, Rose, Whiteway, Thomson, Hardy, Alexander, Whish, Bird, Harrison, Colonels Grigg and Harrison, Messrs. P. J. White, Galbraith, Thornton, Kilvert and Calnan. The late Mr. Connell devoted himself most thoroughly to the management of the estates in his district, and did much for the improvement of the estates and the welfare of the tenants. In his exhaustive reviews of the several reports submitted from his division, Mr. Ferrar rendered great assistance to the Board.

In conclusion I am to observe that though this report is issued under the name of Mr. Cadell, the department was during the year under the charge of Mr. Kaye, who has since retired from the Indian Civil Service.

I have the honor to be,

SIR,

Your most obedient servant,

H. BUTLER,

Junior Secretary.

APPENDIX A.

Benevolent Trusts and Miscellaneous Endowments, North-Western Provinces and Oudh.

During the past year, the Victoria Hall Fund in Hardoi was added to the list of Benevolent Trusts, and a scheme for its administration was sanctioned by Government (Notification No. $\frac{1155}{\text{III.—253B-20}}$, dated 6th June 1892).

The Grigg Female Hospital Trust no longer appears in the list, as it is merely a charitable society registered under Act XXI of 1860, whose accounts are to be furnished to the local Dufferin Fund Committee. The number of trusts, therefore, on the list remains the same as in the previous year.

2. The following table compares the receipts and expenditure with the figures of the previous year :—

Receipts.	North-Western Provinces.		Oudh.	
	1890-91.	1891-92.	1890-91.	1891-92.
Opening balance	12,868	15,070	47,622	48,626
Receipts	36,844	35,794	79,051	75,432
Total ...	49,712	50,864	1,26,673	1,24,058
Expenditure.				
(a) For trust purposes ...	24,654	25,517	55,263	64,002
(b) Do. other ditto ...	9,988	10,595	24,721 + 30	11,499
Total ...	34,642	36,112	80,014	75,501

The figures for the North-Western Provinces do not call for special notice. There has been an increase in the receipts in Oudh, mainly due to arrears of interest on Government promissory notes having been received during the year. This increase has been counterbalanced by a corresponding increase in expenditure, chiefly due to the purchase of Government securities. There was no expenditure on account of the Rájghát Dharmsala during the past year. The erection of a new building is under consideration, and the grandson of the founder Rai Narayan Das, has promised a donation of Rs. 10,000 for the purpose.

3. The Board are informed that vesting orders, and schemes of administration have been sanctioned by Government for all trusts except the Bhinga Dispensary Trust, the scheme for which had not been submitted for sanction when the annual report was submitted. The Balrámpur, Hira Singh and Ráni Kishori Kuar's trusts still remain outside the provisions of the Act. To the first of these three, Government have held that the Act does not apply. Rája Hira Singh desires to keep the management of the trusts bearing his name in his own hands for the term of his life in accordance with the terms of the deeds of endowment : and as Ráni Kishori Kuar objects to any alteration being made in the present mode of administering the Poor-house and Leper Asylum Trusts, it has been decided not to take any action in the matter.

4. A reference on the subject of the Board's powers and position with regard to Benevolent Trusts has been made to Government, and orders are awaited.

Educational Endowments.

5. The number of educational endowments under the control of the Director of Public Instruction remained the same as in the previous year, *viz.*, 54 in the North-Western Provinces and nine in Oudh. The total income including the surplus of former years, amounted to Rs. 2,15,506-5-7, and the expenditure to Rs. 1,35,409-6-0, leaving a closing balance of Rs. 80,096-15-7.

NOTE.—The Nagla Kisi Bhikari minor, and Mahona Estates are no longer under Court of Wards' management, and the Nagla Amín balances have not been carried forward as they refer to a rent suit.

(a) Rupees 2-2-6 were wrongly calculated and added last year by Collector.
(b) Rupees 19-6-0 were wrongly included by Collector last year.
(c) These balances were wrongly shown by Collector last year.
(d) The difference was shown as written off in last year's report.
(e) Collector reports Rs 2 as wrongly included last year.
(f) Rupees 344-2-3 were wrongly included last year.
(g) Rupees 1-8-0 were wrongly included last year, and Rs. 51-7-0 have been added within the year.
(h) Reduced to Rs. 1,044-9-5 by the order of Civil Court owing to difference in the rate of exchange of Privy Council dues.

APPENDIX XVII.

Return showing what portion of the amounts decreed in favour of the Court of Wards was realized or remitted during the year 1891-92, *and also the sums outstanding on the* 1st *of October* 1892—(concluded).

ORDERS OF GOVERNMENT.

No. $\frac{2428}{\frac{I-36B}{6}}$ OF 1893.

FROM

THE CHIEF SECRETARY TO GOVERNMENT,

N.-W. PROVINCES AND OUDH,

TO

THE JUNIOR SECY. TO THE BOARD OF REVENUE,

N.-W. PROVINCES AND OUDH.

DATED NAINI TAL, THE 23RD AUGUST 1893.

SIR,

REVENUE DEPT.

I AM directed to acknowledge the receipt of your letter No. $\frac{704N.}{X-22}$, dated 24th June 1893, submitting the report on the administration of estates under the superintendence of the Court of Wards for the year ending 30th September 1892.

2. This is the first time that, in consequence of the extension to Oudh of the jurisdiction of the Board of Revenue, an amalgamated report for both the North-Western Provinces and Oudh has been submitted. The report was due on the 15th June, but in consequence of the late receipt by the Board of several of the reports, and the inaccuracy of the returns in the cases of a number of the Oudh estates, the Board's report bears date 24th June, and was only received by Government on the 20th July. The latest date for the submission of reports to the Board is the 1st December, but the reports for one estate in the Jaunpur District and for three in Bara Banki were received by the Board as late as March, and that for one estate in Budaun was only received on the 20th May. The Provincial report cannot be submitted nor can the orders of Government be issued in due time when District Officers allow such delay to occur in the submission of their reports, and the Lieutenant-Governor expects the Board to take measures to prevent the occurrence of similar unpunctuality in future years.

3. The report deals with 166 estates: during the year 13 estates were released, and the charge of 11 was assumed. The most important estate released was that of Partab Chand in the Allahabad District, which has been administered by the Court of Wards for a period of 20 years, having been placed under management by an order of the District Judge. During the period of the Court's charge debts amounting to Rs. 34,567 were paid, over two lakhs were spent in the purchase of land and other property, over a lakh was spent in improvement, much was done to better the condition of the tenantry, and the rental was raised from Rs. 1,01,762 to Rs. 1,62,909. The record is one which is highly creditable to the management of the Court of Wards in general, and to the Special Manager, Munshi Zain-ul-Abdin, Khan Bahadur, in particular. The only cause for regret is the fact that no good investment could be found for the large cash balance, Rs. 1,70,655, which was handed over to the proprietor. The Lieutenant-Governor would be

glad to know whether the amount has since been invested, and, if so, in what way. The existence of such a large balance is explained to be due to the repayment with interest of the loan of one lakh advanced to the Benares Municipality in 1891. In addition to the cash balance, Rs. 1,21,800 in Government paper was handed over on release of the estate.

The history of the other estates released during the year does not call for special notice here. The details of each case are fully given in the Board's report.

4. Of the eleven estates of which charge was assumed during the year, five belonged to minors and were taken over by the Court of Wards of its own motion, three belonged to minors and were placed under the Court of Wards by order of the Civil Courts, and one belonged to proprietors of each of the following descriptions: persons disqualified on their own application, persons rendered incapable by physical defects, &c., and females declared incompetent to manage their property. The two most important estates brought under supervision were the Eka estate in the Mainpuri District, and the Tiloi estate, Rae Bareli. Both these estates will require careful management: the affairs of the latter were in a state of utmost confusion when charge was assumed.

5. The total income, expenditure and balance of the estates reported on are here exhibited :—

	Rs.
Opening cash balance	10,25,528
Receipts during the year	45,99,597
Total available income ...	56,25,125
Total expenditure ...	49,82,325
Cash balance at the close of the year ...	6,42,800

The closing balance given in the reports for the preceding year were :—

	Rs.
For the North-Western Provinces	8,19,460
For Oudh	1,93,023
Total ...	10,12,483

The difference between this sum and the opening balance of the year of report is explained to be partly due to certain sums having been erroneously shown as expended in the previous year and which should have been included in the closing balance, and partly to the fact that the accounts of estates in Oudh made over by the Civil Courts have been shown for the first time.

6. The total demand for rent, current and arrears, amounted to Rs. 41,13,122, of which Rs. 34,96,020, or 85 per cent., were collected. In the North-Western Provinces the collection of arrears amounted to 41 per cent. against 38 in the preceding year, whilst the collection of the current demand was 85 per cent. against 91. For Oudh the

corresponding figures are, for arrears 13 per cent. against 31, and for the current demand 97 per cent. for both years. The fall in the total collections for the North-Western Provinces is explained to be due to the inclusion in the figures under "demand" for certain estates of sums which, owing to the approaching release of the estates, could not be collected before their release. This statement is not clearly understood. It seems that in the case of estates which are released during the year reported on the amount shown under current demand should be the total of the rent instalments which fell due before the date of release, as otherwise an incorrect idea of the results of the collections is conveyed by the figures. This is forcibly illustrated in the case of the Partáb Chand estate, which is stated in paragraph 5 of the Board's report to have been released on 1st February 1892. It was therefore under the Court's management for only four months of the revenue year 1891-92, and it is shown by Statement No. III that of the current demand (Rs. 1,56,147) of the year nearly one-third was realized. I am to ask whether there is any objection to showing only the rental demand for the period that an estate is under management. In the Arjunpur estate (Mainpuri and Farukhabad districts) unsatisfactory collections are attributed to a succession of inefficient managers, and, the Lieutenant-Governor regrets to notice, a want of proper supervision on the part of the Collector. The large balance in Allahabad is due to the release of the Partab Chand and Sakarwan estates. The Bánda estates have suffered from bad management which has injuriously affected the collections. The estates are too poor and too scattered to permit the appointment of a special manager, but the Sazáwals have now been placed under the supervision of the Tahsíldárs and it is hoped that an improvement will be visible. The Collector should closely supervise the management of these estates.

The collections in the Gorakhpur Division continue unsatisfactory. The two worst estates in this respect are Narharpur and Majhauli, where only 70 and 77 per cent. respectively of the current demand was collected. It is said that in Narharpur a succession of agricultural calamities has crippled the tenantry. The Board have ordered that liberal advances should be made, but I am to ask whether the case is not one in which remission of arrears would be advisable. In Majhauli it appears that the rents are not paid by the tenants when due, but are realized with interest by means of the Rent Courts. This would seem to indicate a want of harmony between the tenants and those responsible for the management of the estate, and it is highly desirable, if this is the case, that a better understanding should be brought about. The Board were asked in last year's review whether this estate could not be protected against floods, but it has been reported by the Collector that it would be financially impossible even if physically possible to do so.

The total collections in Oudh, if allowance is made for the fact that the Tiloi estate came under management during the year with arrears amounting to over a lakh and a half, are better than in any of

the North-Western Provinces Divisions; among the latter Meerut ranks first and Rohilkhand next.

7. Rupees 14,89,481 were paid on account of land revenue, being a percentage of 43 on the rental receipts (46 for the North-Western Provinces and 41 for Oudh). The abnormal incidences are explained in paragraph 19 of the Board's report, and are due either to payment of arrears as well as of the current demand, or to short collections of rent on account of the release of estates or to some other cause. Here again, as in the case of the rental demand, it would seem advisable to show only the revenue falling due before the release of the estates from management.

The result of the inquiry into the affairs of the Singhpur estate (Bánda) where the revenue is Rs. 2,800 against a rent of Rs. 2,127 on revenue-paying land and Rs. 4,238 on revenue-free land will be awaited.

8. A sum of Rs. 71,322 was realized on account of occupier's rate against Rs. 67,496 paid to Government. The excess is due to an arrangement on the Dadon estate, by which the tenants paid an excess of occupier's rate instead of having their rents enhanced. It is not clear why the Collector considered this course convenient, and Government agrees with the Board that the practice is undesirable and that the enhancements should be made in the regular way.

9. The cost of management amounted to Rs. 2,77,742, or 6 per cent. on the normal income, the same rate as reported for the North-Western Provinces in the preceding year. The measures taken to ensure economy in special estates are detailed in paragraph 22 of the report. The matter is one which should be kept steadily in view by the local officers under the supervision of the Board: care being at the same time taken that no loss of efficiency takes place. The special system of management was in force in the *Bareilly*, Allahabad, Gházipur, Gorakhpur, Rae Bareli, *Sitapur*, Kheri, Sultánpur and Bara Banki districts. The districts italicized are those in which the system was newly introduced in the year reported on. It has been everywhere a success and the Board desire to extend it wherever practicable. The percentage of cost of special management was highest in the Gházipur (9 per cent.) and Sultánpur districts (7·9 per cent.). No special reasons are given for this. Elsewhere the percentage of cost varies from 4·4 to 7·0.

10. The Lieutenant-Governor is gratified to observe that the education of wards is engaging special attention, and will be glad to be informed of the measures for the amelioration of the existing arrangements which after mature consideration commend themselves to the Board.

Suggestions to give wards instruction in horse breeding at Hapur and to form an agricultural class at Cawnpore fell through. It is under consideration, however, to open a veterinary school at Lucknow, to which wards might be deputed. It may therefore be possible, at no distant date, to afford wards instruction in veterinary and agricultural

knowledge, which it is certainly the duty of those charged with the education of the future landholders of the country to endeavour to impart.

11. The following table shows the expenditure on improvements during the past three years :—

	1889-90.	1890-91.	1891-92.
	Rs.	Rs.	Rs.
North-Western Provinces	24,208	36,636	56,249
Oudh	31,818	44,731	80,279
Total ...	56,026	81,367	1,36,528

It has not been shown, as requested in last year's Oudh review, whether the annual budget of allotments for improvements has been worked up to.

The Lieutenant-Governor agrees with the Board that more might have been done in Rohilkhand, but it is evident that the necessity for effecting improvements is much more generally appreciated than it was a few years back, and it is hoped that a retrogression will not occur. Mr. Calnan's account of the discovery of old wells on the Dahyawan estate (Partábgarh) is interesting: three wells with cylinders in good order were found; they are valued at Rs. 2,000.

Little has been said about village sanitation, but the Lieutenant-Governor observes with satisfaction that this is one of the points to which the special attention of District Officers will be directed. The progress made should be noted in the next annual report.

12. In paragraph 36 of the Board's report a strong conviction is expressed that the efforts which have been made by many landowners to induce the Sánsiahs to adopt agriculture as a means of honest livelihood have proved a failure. No improvement can be reported in the habits of the members of the families of this tribe which are settled on Court of Wards' estates, and the present Junior Member shares his predecessor's opinion that all efforts to reclaim them will be hopeless. The experiment has been under trial for a period of about three years, and it now appears to be time that some definite conclusion should be arrived at as to its continuance or otherwise. Commissioners of Divisions will accordingly be requested to submit reports by District Officers in whose districts Sánsiahs are settled giving a brief history of each family, and the Board should submit a similar report with reference to estates under the Court of Wards.

13. Twenty-five estates are managed by the Court of Wards on behalf of proprietors who have been disqualified on their own application. The Chirgaon and Lalitpur estates are retained under management, as their proprietors are *parda nashin* ladies. The proprietor of the Karim-ud-dinpur estate was a lunatic, but though now pronounced sane he is not considered fit to manage his estate. The circumstances of the other estates are, where necessary, explained in paragraph 40 of the Board's report.

14. The investments of surplus funds during the year were as follows :—

	Rs.
Government securities	4,07,234
Land and houses	67,432
Loans	2,10,450

Altogether nearly 11½ lakhs in Government paper is held by the Court of Wards. Government shares the hope of the Board that profitable investments will be found for a considerable portion of this amount during the current year.

15. Three hundred and fifty-five notices of ejectment were issued against 421 in the preceding year, being an increase of 59 in Oudh and a decrease of 125 in the North-Western Provinces. Eighty-eight notices were contested, 21 successfully; but of these seven were withdrawn on the tenants promising either to pay higher rents or to behave better in future. There were only nine cases for enhancement of rent, which were decreed by the Court. It is satisfactory to find that in nearly every case necessary enhancements can be obtained without the intervention of the Rent Courts, and the fact that no cases were contested shows that discretion was used in making the enhancements.

16. The results of the measures taken for realization of sums decreed by the Civil Courts are here shown for the last three years :—

	Decreed.	*Realized.*	*Percentage.*	*Remitted.*	*Balance.*
	Rs.	Rs.		Rs.	Rs.
1889-90 ...	1,79,644	28,575	15·9	39,916	1,11,153
1890-91 ...	1,59,647	38,186	23·9	3,503	1,17,957
1891-92 ...	1,63,696	45,090	27·5	9,870	1,08,736

The percentage of realization shows an improvement. Of the remissions over Rs. 6,000 were remitted on two estates, Bara (Allahabad) and Pandriganeshpur (Rae Bareli). More than a lakh of the balance is considered to be recoverable.

17. The number of benevolent trusts was increased by the addition to the list of the Victoria Hall Fund in Hardoi; but this is balanced by the disappearance of the Grigg Female Hospital Trust. For the United Provinces, the receipts were Rs. 1,11,226 against Rs. 1,15,895, and the expenditure Rs. 1,11,613 against Rs. 1,14,656.

There were, as in the preceding year, 63 educational endowments.

18. The Government is indebted to the Board of Revenue for the care given to this branch of their duties. Mr. Kaye, who has since retired, was the Member in charge. I am to request that the acknowledgments of Government may be conveyed to the Collectors mentioned in the last paragraph of the report for their labours in connection with the management of the estates under their charge.

The Lieutenant-Governor desires also to thank Munshi Zain-ul-Abdin, Khan Bahadur, late Special Manager in the Allahabad District, who has now returned to the ordinary work of a Deputy Collector, for the care and skill with which he has supervised the estates placed under him during a period of 10 years.

I have the honor to be,

SIR,

Your most obedient servant,

J. J. D. LATOUCHE,

Chief Secy. to Govt., N.-W. P. and Oudh.
